

VINOPROD GRAPSEED OIL

Cold-Pressed Cosmetic Ingredient

100% Upcycled • High Linoleic Acid •
Lightweight Skin Feel

Cold-pressed and unrefined from upcycled grape seeds sourced across the Cape Winelands, South Africa — preserving natural composition and purity for cosmetic formulation.

COMPLIANCE & SAFETY

- Vegan & REACH compliant (Regulation 1907/2006)
- Compliant with EU Cosmetic Regulation (EC) No. 1223/2009
- Non-hazardous (CLP Regulation 1272/2008)
- No restricted substances, preservatives, or additives
- Biodegradability: >90% (OECD)

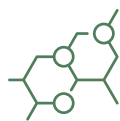

PRODUCT IDENTITY

- **INCI:** Vitis Vinifera (Grape) Seed Oil
- **CAS:** 8024-22-4/84929-27-1
- **EINECS (EC):** 284-544-6
- **Origin:** South Africa (Cape Winelands)
- **Process:** Cold-pressed, Unrefined

KEY FUNCTIONAL BENEFITS

- High in Linoleic Acid (~74.5%) → barrier repair & acne-prone skin support
- Lightweight, fast-absorbing emollient
- Suitable for non-comedogenic formulations
- Rich in natural antioxidants
- Supports skin conditioning & emolliency

PRODUCT BENEFITS

~75% Linoleic Acid

Lightweight Skin Feel

Antioxidant-Rich

Non-Comedogenic

QUALITY SPECIFICATIONS

Typical values based on latest batch analysis

- **Linoleic Acid:** 74.5 ± 3.4%
- **Oleic Acid:** 12.95 ± 0.27%
- **Palmitic Acid:** 6.42 ± 0.58%
- **Stearic Acid:** 4.35 ± 0.25%
- **Acid Value:** 2.34 mg KOH/g
- **Iodine Value:** 141.7 ± 2.6
- **Free Fatty Acids:** 1.18 ± 0.18 g oleic acid/100g oil
- **Peroxide value:** results pending, available on request

COMMERCIAL OPTIONS

- Flexible supply quantities — from samples to 24T flexitanks
- Private label available
- Samples available on request
- Consistent export supply

APPLICATIONS

- Facial oils & serums
- Moisturisers & emulsions
- Haircare formulations
- Body oils & massage oils

PHYSICAL & CHEMICAL PROPERTIES

- Appearance: Yellow-green liquid
- Odour: Mild, characteristic (grape-like)
- Density: 0.920 – 0.926 g/cm³
- Insoluble in water

HANDLING & STORAGE

- Store below 25°C in a cool, dry place
- Protect from light and air exposure; keep containers tightly sealed
- Shelf Life: Up to 12 months from production date when stored correctly. Once opened, reseal immediately and use within 3–6 months.
