

PRODUCT STATEMENT

Product Name: Cold-Pressed Unrefined Grapeseed Oil

INCI Name: *Vitis Vinifera (Grape) Seed Oil*

Product Overview

VinoProd Grapeseed Oil is a cold-pressed, unrefined oil derived from upcycled grape seeds from wine production in the Cape Winelands, South Africa. The oil is cold-pressed without chemical refining, preserving its natural composition and functional properties for cosmetic applications.

Composition

- 100% grapeseed oil
 - No additives or preservatives
 - No chemical solvents used in processing
 - Produced in accordance with EU Cosmetic Regulation (EC) No. 1223/2009
-

Quality & Purity

- Cold-pressed
- Full batch traceability supported by unique batch numbers and a Certificate of Analysis provided with every order.

Claims

- Derived from non-GMO grape varieties
 - Vegan
 - 100% plant-derived; no animal testing involved in production
 - Non-comedogenic
 - Free from added fragrances, preservatives, and additives
-

Sustainability

This product is produced using upcycled grape seeds from wine production, supporting a circular production model.

Storage & Shelf Life

- Shelf Life: Up to 12 months from production date when stored correctly. Full storage guidelines available on request.
 - Store in a cool, dark place — ideally refrigerated — in a sealed, airtight container away from direct sunlight.
 - Once opened, reseal immediately and use within 3–6 months.
